I understand that although all dogs are fully supervised, incidents of injuries may occur from playing with other dogs, which include but not limited to bites, scrapes, scratches, bone and joint injuries. I agree that should this occur, I am responsible for my own pet's care, medical attention, and cost.

### **MEDICAL RELEASE FORM**

First and foremost, the safety and well-being of your pet(s) is the highest priority. Insuring that your pet remains safe and well cared for is our first responsibility and as such we take it very seriously. We do our best to have our pet parents screen pre-existing health conditions but some factors may be beyond our control. In the event that a medical emergency arises while a pet is at our facility it is imperative that we are immediately able to get them medical treatment at the closest available facility. We will call ahead to veterinary offices in closest proximity to us to ensure they can handle the emergency and you will be notified immediately. By signing below, you will give ComeSitStay permission to seek veterinary care in the event of an emergency and agree to be responsible for all costs associated with any medical treatment my dog(s) receive even if I am unable to be reached by the contact information I have provided.
